**\*8:00am - Prayer for Salvation of the lost** | We are praying that every person who has never experienced the joy of knowing Christ as their Lord and Savior, would come to the saving knowledge of Jesus Christ. We are praying for the salvation of unreached people and unreached people groups, across the street and around the world.

**10:00am - Prayer for Families** | We are praying that families and households would be filled with love and honoring to God. We are praying for the spiritual health of marriages and the unmarried, as well as parents and children who will honor God for generations to come.

**\*12:00pm - Prayer for our Church Vision for 2022 and Beyond (D.R.E.A.M.)** | We are praying that we will see the realization of the vision God has given us this year. We are praying for **D**ebt elimination, a fully **R**evitalized community, the **E**xpansion of our online and in-person Church family; **A**ctive student and family ministries; and for our ministries to be fully **M**obilized.

**2:00pm - Prayer for Individual and Collective Health** | We are praying for personal health and wholeness - physically, emotionally, and spiritually.

**\*4:00pm- Prayer for Communities** | We are praying that the communities we live in would be unified, safe for families, and positive environments for our children.

**6:00pm - Prayer for Peace** | We are praying for global peace among nations, and personal peace among individuals. We are praying that poverty, war, violence, and injustice would be replaced with the "shalom" of God, and that all men would come to know the Prince of Peace, who is the Risen Christ.
