Genesis 1

1:1 In the beginning, God created the heavens and the earth.

Adam and Eve

Genesis 1-2

God made everything. From "light," which God called day to "darkness," which God called "night." God created the heavens and the earth. God said everything He created was good. On the sixth day God made all kinds of interesting animals. Then God decided to make a man that He called Adam. Adam's job was to rule over all the animals and to give them each a name.

Draw a path from Adam to the animals that he named.
